The Perfectionism Workbook for Teens: Activities to Help ...

Anxiety is a normal, human feeling of fear or panic. When we face stressful situations, it can set off our brain's in-built alarm bell system, which tells us something isn't right and that we need to deal with it. Our brain wants the difficult situation to go away, so it makes us feel more alert, stops us thinking about other things, and even pumps more blood to our legs to help us run ...
