Indoor Rowing Training Guide, Version 2

There is a lot of great information under Tips and General Info and in the Training Guide; we recommend taking the time to look through them. Build Up Gradually. When you first get on the indoor rower, resist the temptation to do too much too soon. Instead, make sure you focus on your technique and learn to maintain a steady pace.

The Indoor Rowing Marathon Plan

It's important to include speed work in your training regimen, even if you're a long distance runner. If you need a challenge without the impact on your legs, rowing is a great solution. Workouts can be transferred easily, and as with running, you are in complete control of your intensity with rowing. Sample Workout Before trying this workout, please read our liability disclaimer.
